FOREWORD

Many years ago a panther lounging on Fort Worth streetcar tracks provided the city with a new nickname and Fort Worth High School with a mascot. The incident has sunk into oblivion, but here, in this book, are imprisoned the events and personalities which have made the Paschal Panther the object of renewed interest and fame. The Panther no longer lolls across streetcar tracks. He has ventured to excel in every facet of school life. Assembled on these pages is proof.

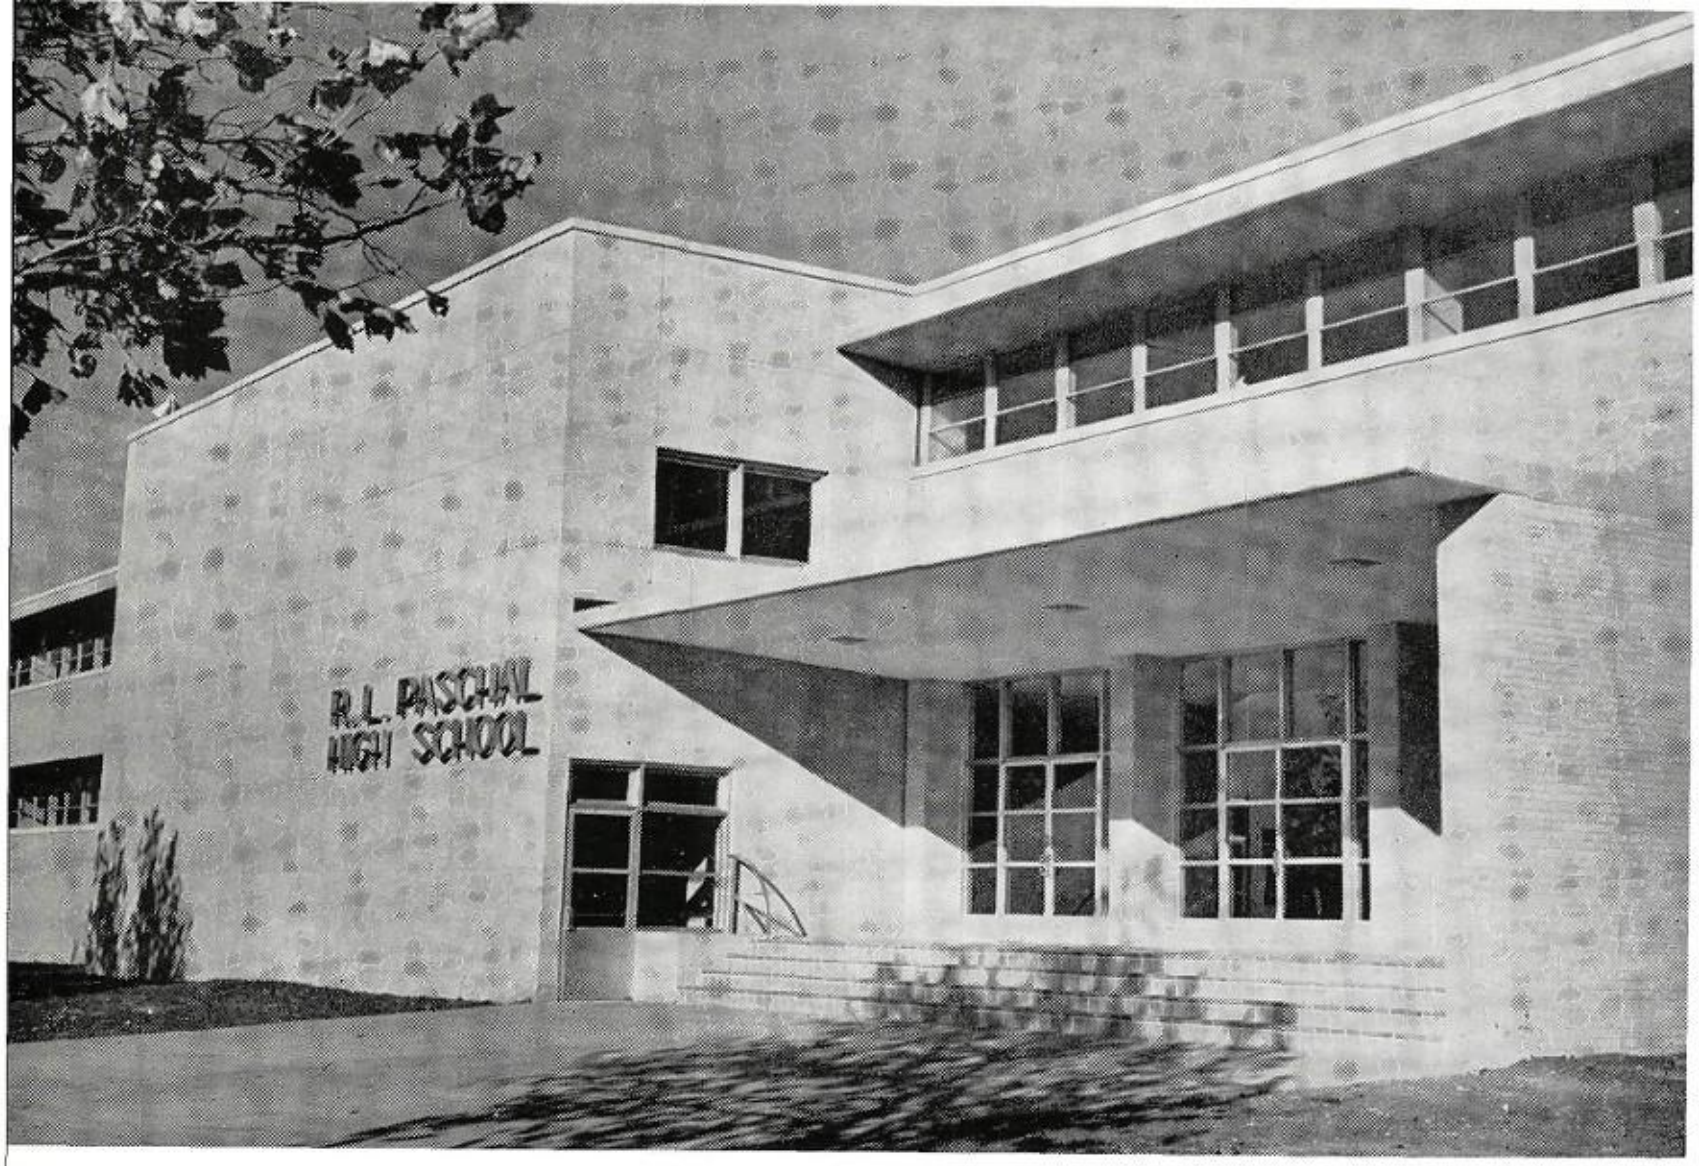
. . . Thus We Dedicate

Left to right: E. E. Dyess, O. D. Wyatt, R. L. Paschal.

The gentleman at the right is viewing another chapter in his life's work. The book is a collection of pictures of the new building, and the man is Mr. R. L. Paschal, former principal of this institution, whose long period of service to his community and to his fellow man is reflected in the name, Paschal High School.

A BUILDING'S

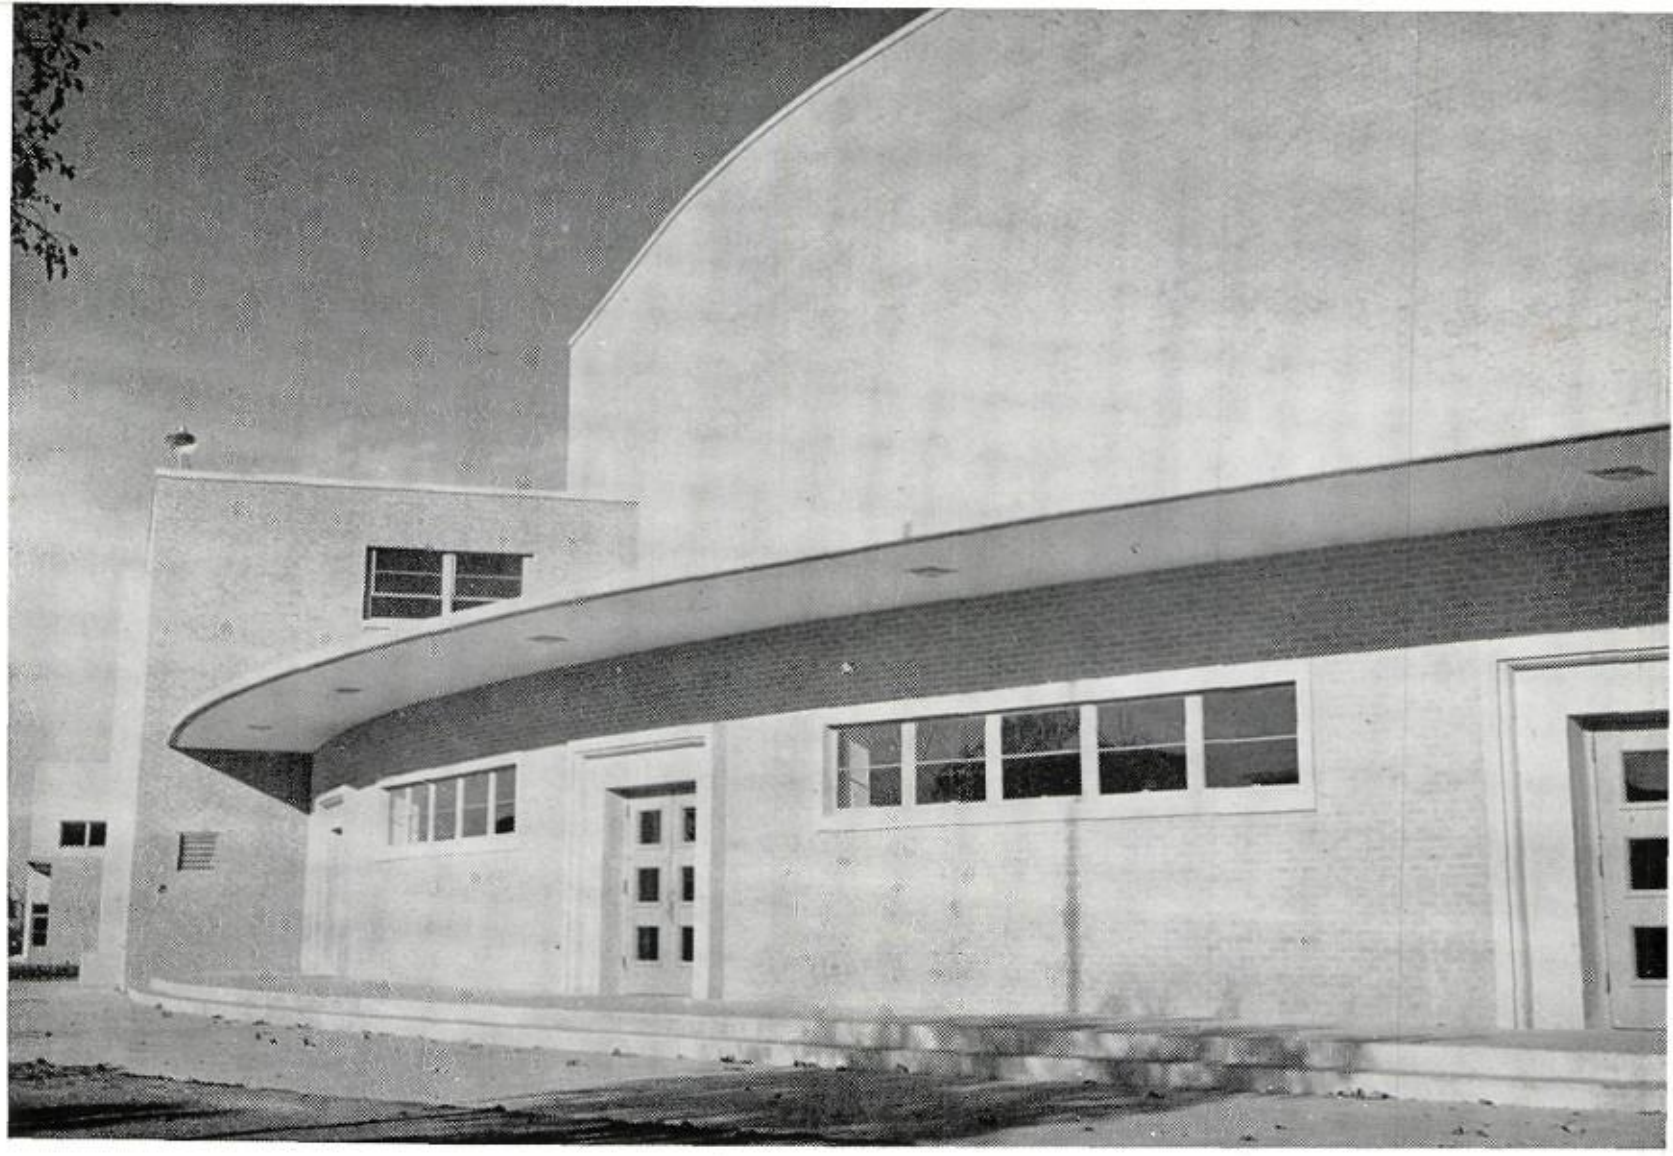


The main entrance keynotes the modern decor of the new building.

The general office is Paschal's nerve center.

Contemporary beauty and a peaceful atmosphere provide the setting for Paschal's library.

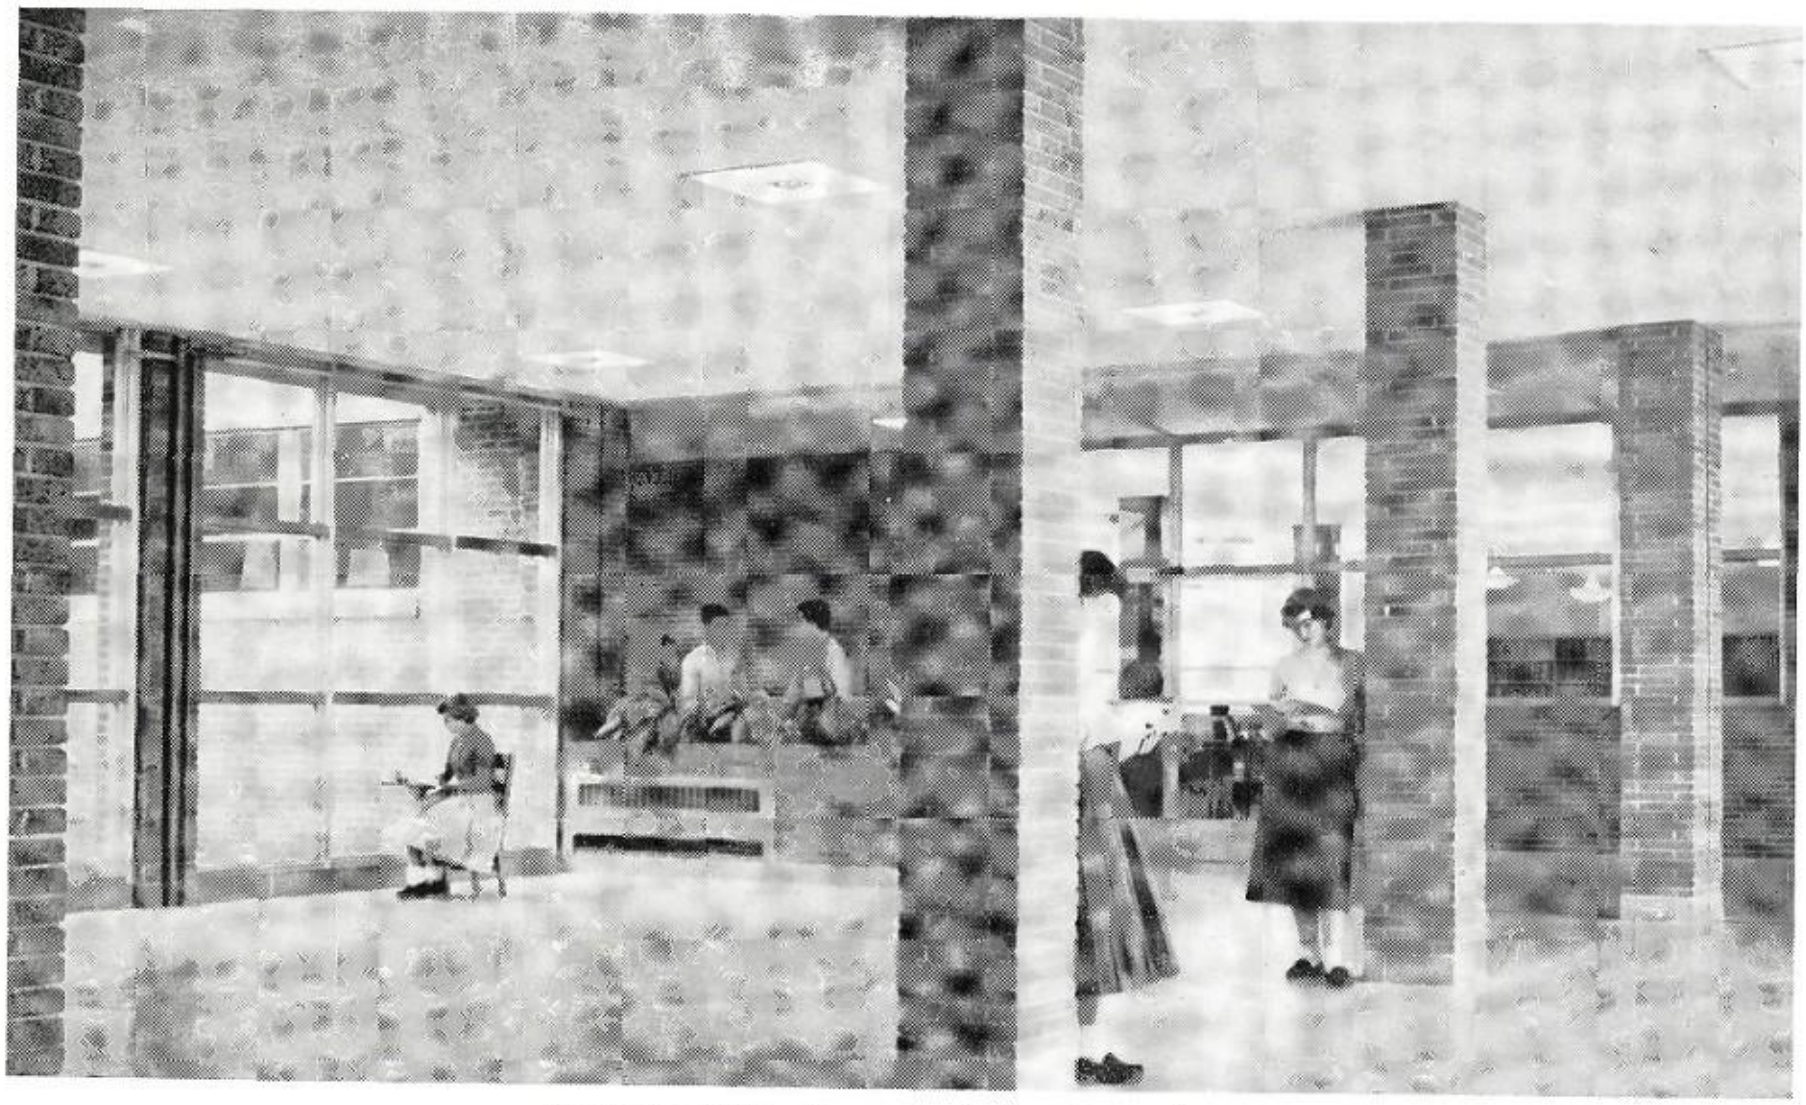
DEBUT



Dramatic sweep characterizes the auditorium exterior.

The gymnasium is a modern and complete athletic plant.

Beautiful and convenient luncheon facilities are found in the cafeteria.



Impressive brick columns dominate entrance foyer.

An unusual view of the building pictures the northeast corner.

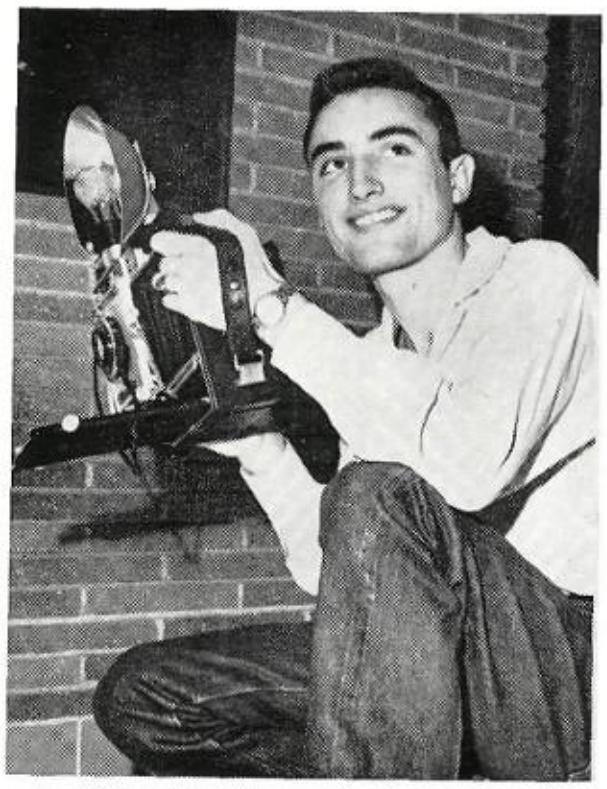
ROYAL



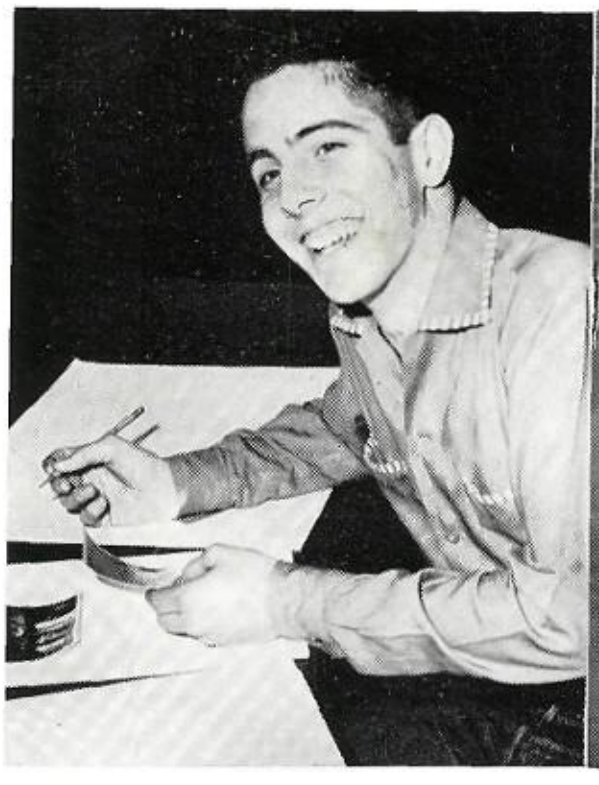
WILKES BERRY as a sophomore served as editor of the Sophomore Pantherette and held an office in the Junior Classical League. During his junior year he participated in the activities of the Student Service Council, always upholding the fine grades which led to his capturing the Junior English Medal. With camera in hand, Wilkes, in his senior year, worked with the Annual Staff, the Booster Committee, and the Student Service Council while holding the offices of president of Penta and reporter of Allied Youth.

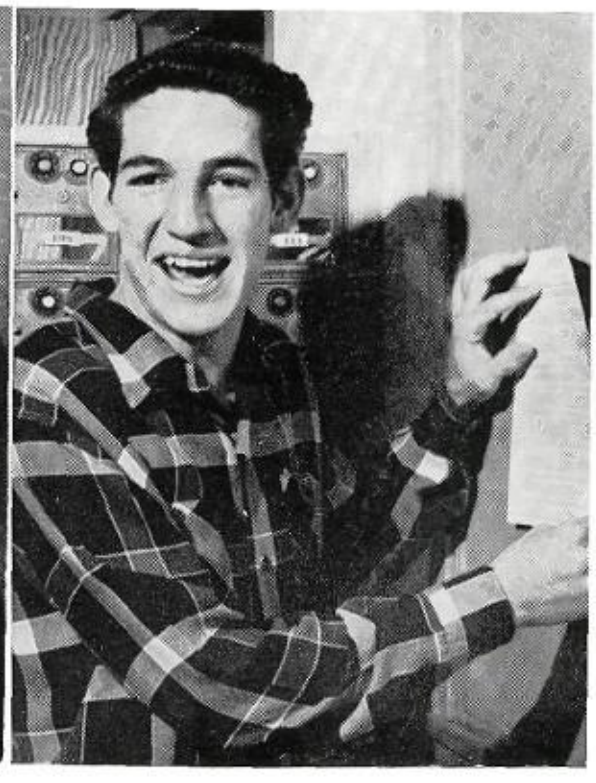
In keeping with the collegiate size of the 1956 Panther, the staff presents a section which has long occupied an honored place in most college annuals. This section, a Who's Who of Paschal, is not meant to honor only those who have been honored with an elective office. The students in this section were nominated by a committee of teachers, who selected them on the basis of their valuable and often thankless service to Paschal. The 1956 Panther presents to you the Royal Purples.

THERON BROOKS in his three years at Paschal has become an outstanding leader. He twice served as a member of the Student Service Council and was an active member of the Annual Staff, Science Club, Penta, Allied Youth, J.C.L., and the National Honor Society. Because of his ambition and enthusiasm, Theron was a nominee for the presidency of the senior class.

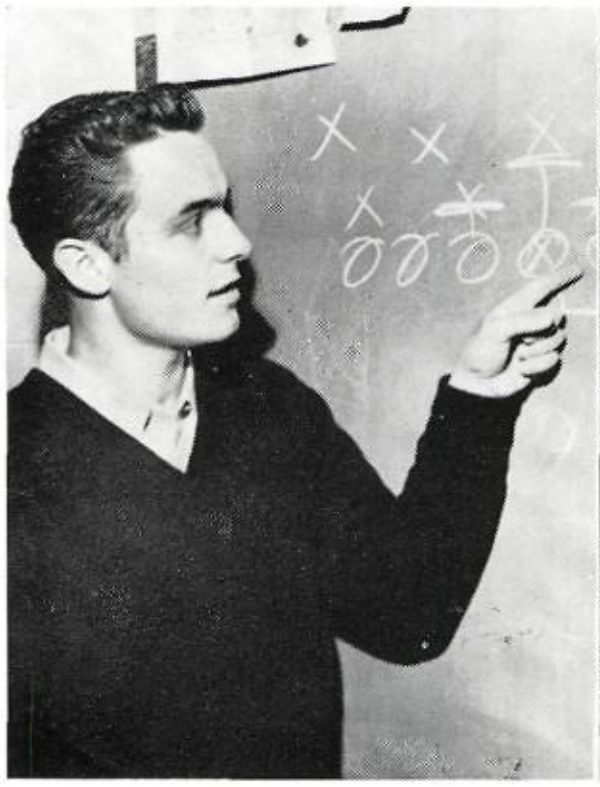
Sports and related activities have occupied most of ANNE CHORN'S school days. As co-captain of the volleyball team and a member of the girls' tennis team she has made a definite contribution to athletic competition at Paschal. Cheerleader and Sports Follies Queen were two coveted honors bestowed on Anne this year. She was also a nominee for Senior Favorite.

While at Paschal, TRAVIS COOMER has served as an active member of the Student Service Council for three years. He is also a two-year letterman in football, during which time he was nominated for the Westfall Trophy. Although Travis was busy promoting school activities, he has maintained an excellent scholastic record which won for him a place in the National Honor Society.

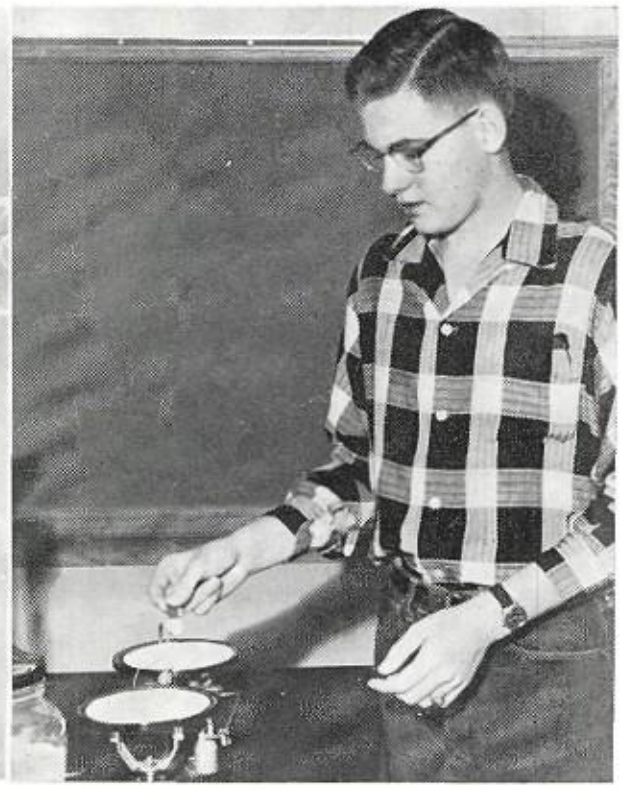




PURPLES



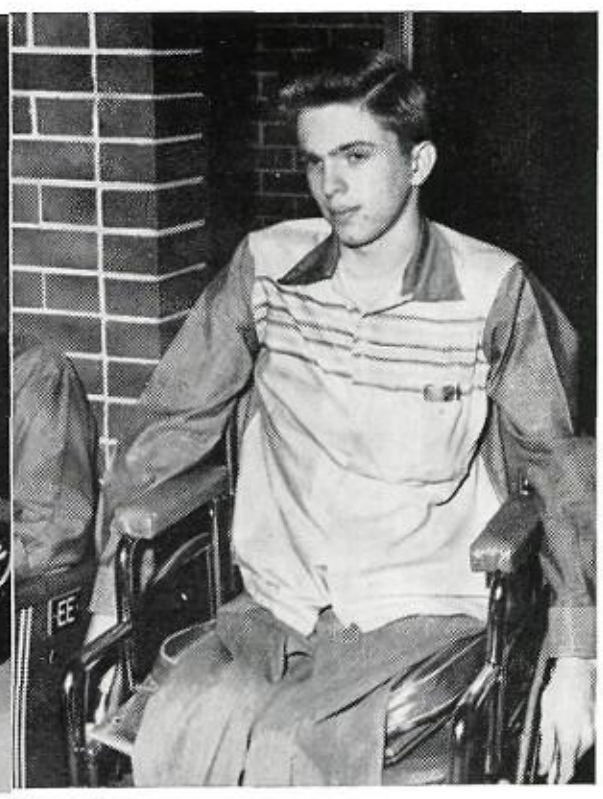
As vice-president of the junior class last year, BILL FROST gave endless hours to the planning and preparation of its activities. Being a two-year football letterman, a Student Service Council representative, a member of Penta, the Science Club, and the Steering Committee has not kept Bill from earning a fine scholastic standing. In 1955 Bill represented Paschal at Boys' State in Austin.



An avid interest in scientific matters motivated RUDY GAEDKE'S election as this year's president of the Science Club. He attained deserved academic recognition as a finalist in the National Merit Scholarship Contest. Always a man of action, Rudy has served well the 1956 Panther and the Penta Club during his busy senior year.

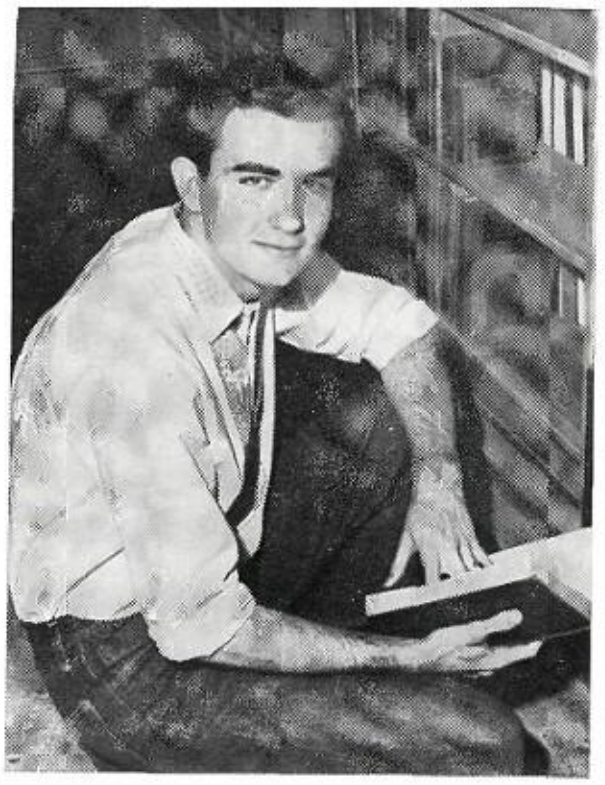
SUE GOLDSTEIN'S untiring devotion to the school and her willingness to work has earned her a place among the Royal Purples. She has become a virtual junior member of the office force. Her activities at Paschal have been myriad. She has served as a delegate to the Allied Youth Conference at Buck Hill Falls, officiated as a Bible reader, filled an office in the Vagabonds, and worked on the Annual Staff.

LEE HAWTHORNE, well-known for his loyalty to the Purple and White, is always present at Paschal activities. His enthusiastic interest in school affairs is further emphasized by the large number of color slides he has made. Serving on the Student Service Council and belonging to Penta and Allied Youth have not kept him from making a 100% attendance record in Pan-Am this year.



ROYAL

PAT KIRKWOOD represented Paschal at Girls' State in 1955. Extremely versatile, she was president of Pan-Am in her junior year and led Paschal's delegation to the state convention in Austin. Possessing exceptional musical talent she has been a proficient and dependable accompanist in the Musical Department. Good scholarship and Pat are synonymous.



Holding offices and discharging the resultant duties have occupied most of GENE LAYNE'S time and talents. While he has been at Paschal, Gene has served as a member of the Student Service Council, as well as in the capacity of officer in Pan-Am and Allied Youth. He has also been a staff member on the 1956 Panther. His willingness and co-operation in bringing books and records has made a definite contribution to his classes.

The varied activities of NANCY LEATHERWOOD include serving as secretary of Allied Youth and as delegate to their convention at Buck Hill Falls, and membership on the Student Service Council. She has participated in auditorium programs in addition to being a member of the Annual Staff. For three years Nancy has represented Paschal in tennis.

PURPLES

JUNE MASSENGALE has worked tirelessly in support of Paschal's extra-curricular activities. While giving a great deal of time to the Booster Club and the Annual, she has maintained one of the highest scholastic averages. She has also served as library assistant, secretary of Penta and Cub Reporters, and was an active member of Allied Youth and J.C.L.

During his three years at Paschal, DON MOORHEAD has played in the band and orchestra. However, it is his willingness to work for school organizations that has earned him a place in Royal Purples. He and his band have gladly furnished music for programs whenever asked. He is also an active member of Vagabonds, having appeared in several of their productions.

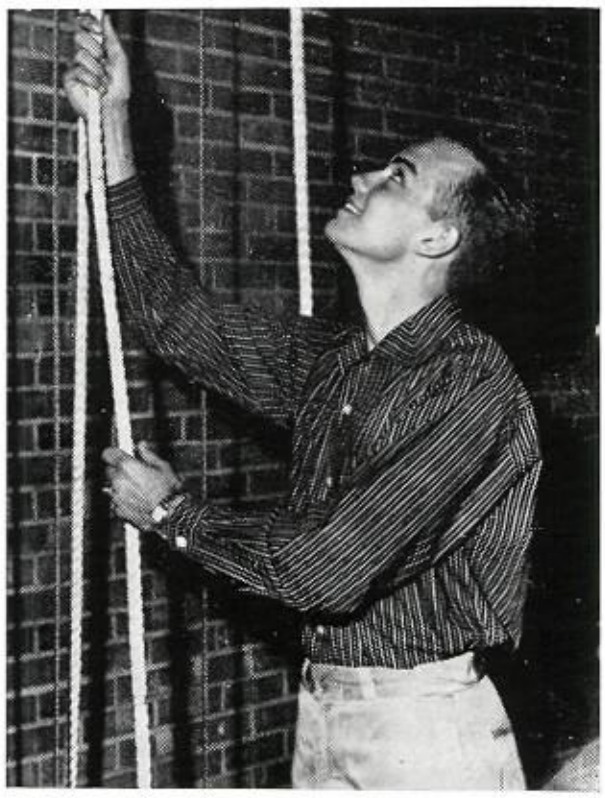
BRETT NORRIS'S activities have extended into all phases of school life. She has been a member of J.C.L., the Service Council, Paschal Writers Club, was president of Cub Reporters and vice-president of Allied Youth. Brett has always been conspicious in her many efforts in behalf of her class. Helping to plan, as well as appearing in many programs, she has also been a nurse's assistant.

ROYAL

GAIL PETERSEN has been of service to the school in such diverse ways as cheerleader, class officer, and member of the Steering Committee. Active in Little Congress, Penta, and Allied Youth, she has also excelled in tennis and was a two-year city golf champion.

MARGARET RANSOM is known to Paschalites as the lovely vocalist who takes part in almost every musical program as a soloist and sings in the Girls' Sextet as well. Margaret is a member of the Student Service Council, and she is an officer of Little Congress.

With his own radio program and the voice with personality, SAMMY RIDDLE has been selected to appear in Royal Purples. He has been outstanding as Vagabonds president and as a three-year member of the Paschal Band. Comedy skits for Paschal assemblies are a Riddle specialty.



JOHNNY THOMPSON has shown his support of Paschal by the many programs in which he has participated and by his service as cheerleader alternate during the past semester. Johnny is president of Pan-Am and was a delegate to the Allied Youth Convention at Buck Hill Falls last fall. He served as an enthusiastic member of the Booster Committee and of the Student Service Council.

As secretary of the student body, KAY VANDERPOOL has shown her ability to lead and her devotion to Paschal and its Honor System. Despite her school and extra-curricular activities she has found time to develop her piano talent to such a degree that she won the city-wide Piano Concerto Contest of 1955. Kay was also chosen Sports Follies Queen this year.

BILL ZELLE exemplifies the Paschal High School technicians. His cooperation with school clubs and with teachers by showing films and arranging auditorium microphones, his work on the public address system, and his service as reporter of Pan-Am have earned him a place in the Royal Purples.

The Student Service Council, composed of members chosen from each home room, one representative and one alternate, serves as a discussion group for problems of general school welfare and as a means of cooperation between faculty and students. Various school activities sponsored by this body include: publishing and selling student directories, disposing of stickers, taking orders for annuals, selling tickets for P.T.A. style show, acting as ushers and guides at Open House, handling homeroom elections, and serving as building guides during Public Education Week. The administration of the Honor System and the advancement of its principles of scholarship, courtesy, loyalty, and cooperation are in its hands.

Miss Alta-Beall Blanton is the sponsor. Meetings are called when a need arises.

PASCHAL MUSIC

Officers: MARY SMITH, Concertmistress; HELEN BOHN, CAROL SNODGRASS, Librarians • JOE HOPKINS, President and Student Director; LINDA OLMSTEAD, Treasurer; MEYER SANKARY, Reporter.

The Paschal Music Department, under the able direction of Miss Lois Ruth Mitchell, tries to instill an appreciation of good music in the members of the student body; it also furnishes an indispensable part of the assembly programs.

The Orchestra, largest of the music department groups, has presented varied and sparkling programs throughout the year. Paschal was well represented in the All-State Orchestra by sixteen musicians who took their places after auditions. Among other appearances made were: Christmas and Spring Concerts, P.T.A. programs, Open House, All-City High School Chorus and Orchestra Concert, Highland Park Music Festival, Diamond Hill High School assembly program, Baccalaureate, and Commencement Exercises.

The Girls' Glee Club, composed of first-year students, promotes interest in choral music and stimulates music activity in the school. These students have furnished music for numerous assembly programs, for Open House, and during Education Week.

The Mixed Chorus has many accomplishments to its credit this year. Membership is based upon the ability to sing and upon a knowledge of music. This chorus

has responded faithfully to requests for special programs by assisting in assembly programs, participating in a two-day choral clinic at Texas Wesleyan College, competing for places in the All-City High School Chorus and Orchestra Concert and entering as the only choral group from Fort Worth in the Dallas Highlander Festival. The members always appear in the Baccalaureate and Commencement programs.

The Girls' Sextet, made up of six regular members and three alternates, has been an invaluable asset to both Paschal High School and to the Glee Club. Members are selected from both the Mixed Chorus and Girls' Glee Club after competitive try-outs. The girls have entertained several luncheon clubs, Woman's Club organizations, the P.T.A., and patients at the United States Public Health Service Hospital. The Sextet was a memorable feature of the Spring Concert.

Credit for the artistic performances by the entire Music Department is due not only to Miss Mitchell's untiring endeavors, but also to the hearty cooperation, sincerity of purpose, and painstaking effort shown by each member.

During school hours the class, which meets every day, listens to classical records and discusses current events in the world of music.

PASCHAL

Majorettes: BEVERLY WALL, BARBARA RENFRO, SHIRLEY GILL, KAY HENDERSON

The Paschal High School Band, one of Fort Worth's best balanced musical aggregations, is an organization of eighty-eight well-trained musicians, dressed in outstanding purple and white uniforms with special insignia for its director, band captain, lieutenants, secretary, and student director. So impressive is the progress made this year that Colonel N. J. Whitehurst, competent band director for the past thirteen years, made this statement concerning the present and future potentialities, "This is the best concert band that I've ever had the pleasure of working with. I expect the band to reach one hundred members in two years because of the large number of sophomores enrolled in my classes this year who are gaining valuable experience. I attribute the success of the Paschal band to the new band room and excellent equipment."

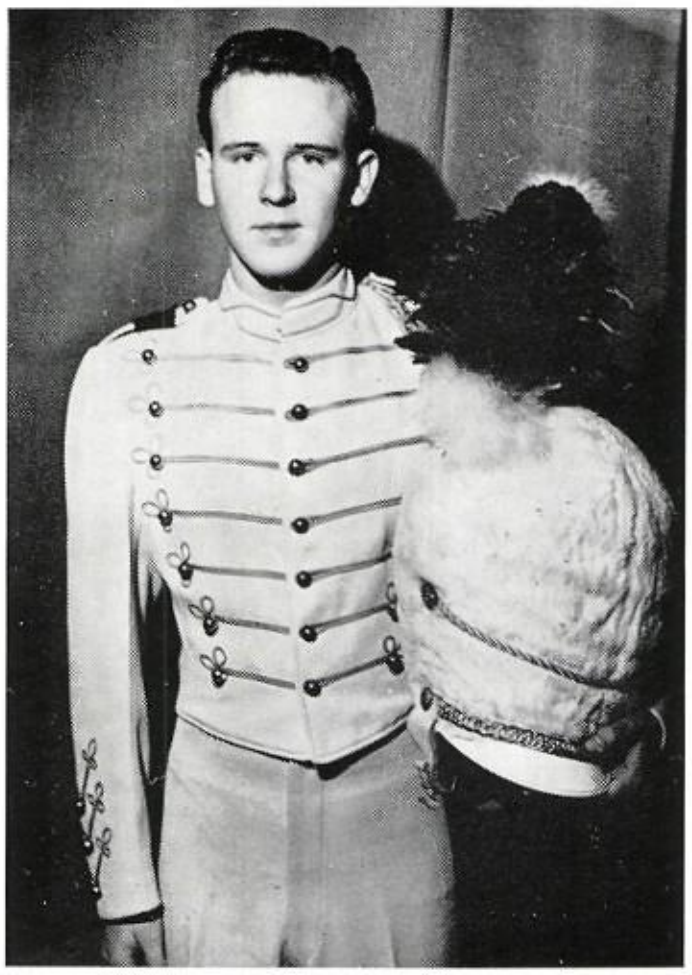
BAND

The band has faithfully performed at all football games. Much of the fine spirit of our athletics is the result of our band permeating the atmosphere with its inspiring tunes of 'pep' and 'fight'. Music for pre-game pep rallies, as well as for parades and school open-houses, has been furnished by these Paschalites. On March 16th at the Jacksboro Band Festival the Band entered twenty-nine soloists and sixteen ensemble players in the concert and sightreading contest; and in the all-city solo and ensemble contest on April 10th the same number was heard.

A junior band is available for those whose proficiency has not yet reached the high level of attainment necessary for regular band membership.

Drum Major: LOY ROOKE



POM POM GIRLS

Paschal's Pom Pom Girls feature clockwork precision and lively stepping as they swing through their intricate marches and novel dance routines. Smartly clad in purple and white, they provide half-time entertainment at every home football game.

The thirty-six members, four of whom are alternates, are chosen after competitive try-outs. Pep, enthusiasm, and willingness to practice are requisites for membership.

BOOSTER CLUB

The Booster Club, consisting of ten members, is entirely responsible for decorations of the auditorium, stage, and halls. Members spend at least an hour daily on the work. This year they faced the tremendous task of making entirely new banners for the purpose of ornamentation. Boosters promote school spirit and welcome as additions to their membership all who display an unusual amount of school spirit and profess a willingness to work. Mrs. Adele Firkins is sponsor.

Officers: SAMMY RIDDLE, President; GAIL GODFREY, Vice President; SUE GOLDSTEIN, Secretary.

VAGABONDS

The Vagabonds, which was organized in 1928, is composed of advanced speech students interested in the study of drama. The numerous activities of the club include the production of several one-act plays throughout the year and the annual three-act play presented in the spring.

BOWLING CLUB

Under the sponsorship of Mr. Charles Dobbs the Bowling Club has become one of Paschal's most active organizations.

The Bowling Club, which meets weekly, is affiliated with the American Junior Bowling Congress. Each year the club is well represented in a Christmas Tournament and in the National Tournament held in March.

The Cub Reporters, an organization formed to encourage students interested in learning more about journalism, is composed entirely of sophomores. The requirement for membership is an active and enthusiastic desire to acquire knowledge of newspaper writing.

Weekly meetings are devoted to the study and discussion of different phases and styles of news reporting. Guest speakers who are prominent in the journalistic field are invited to appear before the club at least twice each year. Mrs. Margaret Caskey is sponsor of the Cub Reporters.

DISTRIBUTIVE EDUCATION CLUB

The Distributive Education Club was organized to give the student with a half-time job additional knowledge so that he may excel in his work and open new vistas to success. The program of the club includes training in many fields of selling — wholesale, retail, and service. The member uses his new ideas to become a better salesman, and thus profits from the course which links his job to his education.

The sponsor is Miss Nina Terry.

FUTURE NURSES CLUB

High school is a time of planning, selecting a vocation, and choosing a school for further training. Two years ago Mrs. Velma Eads founded the Future Nurses Club at Paschal to foster interest in nursing as a profession. Girls have a rare opportunity to become fully acquainted with all aspects of nursing before entering that field. They learn of the scholarship program and the degree available and often obtain first-hand information from a local college. Feeling that success in the field of medicine is impossible without a keen sense of charity, many Paschal "future nurses" gave their time unselfishly during the March of Dimes campaign against polio. This is a young club which is steadily growing as more girls are attracted to the field of nursing.

The Pan-American Club, sponsored by the Good Neighbor Commission of Texas and under the leadership of Miss Louise Bomar, was founded to foster good will among Pan-American countries. Composed of Spanish students, Pan-Am meets on the second Tuesday of every month. Lectures by guest speakers from Latin-American countries are informative as well as inspiring. Activities of the club include: a Christmas banquet, sending of representatives to the State Convention in Austin each spring, and annual donations to a fund for the needy at Christmas. This year Pan-Am also donated to the Tampico Flood Relief Fund. The Pan-American Club welcomes new members who are interested in learning more about the Spanish language, customs, and people.

PANTHERETTE

The Paschal Pantherette, published every other week, is the result of careful planning by the journalism class under the direction of Mrs. Margaret Caskey. In the past years the Pantherette has become well known in journalistic circles. The newspaper won the coveted city trophy in 1955, and this year the Pantherette won the All American Contest which is the highest honor obtainable by a high school newspaper. Three members of the staff won first places in the City Press Contest this winter. The winners were: Dave Hickey in feature writing, Pat Ferguson in editorial, and Talmage Campbell in front page makeup. Paschal may well be proud of such achievement.

PASCHAL "A"

FOOTBALL TEAM

TRI-CAPTAINS—*Left to right,* Chris Miteff, Arthur Baird, Dickie Chubb.

The Paschal Panthers had a very successful season in competition with some of the state's leading contenders and a 4-A3 conference which yielded top-notch boys for the college ranks. After a fairly satisfactory non-conference schedule was completed, the Panthers were disappointed by an early loss to Carter Riverside. But plucking the four following tough teams, the Panthers returned to the top of the district as co-champions with Arlington Heights. On a cold, rainy night the Panthers met Sunset of Dallas in the bi-district game, and lost 16 to 7. As one looks back, he realizes that the first Panther eleven from the new school was a carryover of the unconquerable spirit displayed in all Paschal activities.

CARTER'S VICTORY SHADES PANTHERS' HOPES

Paschal's chances at getting an early lead in the conference race were shattered when Carter defeated the Panthers 35-14. The Eagles took the lead, making three straight touchdowns before Paul Gauntt passed to end Gary McLeod for Paschal's first touchdown. After the half-time ceremonies the Panthers seemed to come alive with a sixty-yard gallop by Chris Miteff, making the score 21-14. The Panthers' hopes faded out when an incomplete pass was thrown, and the ball was given to Carter. Carter then took charge of the game, making two more touchdowns and giving the Riversiders a 35-14 victory over the Panthers.

SIX PASCHAL TALLIES SHUT OUT BULLDOGS

Paschal did an "about-face" against Tech as compared to the previous week's loss to Carter Riverside. After a very sluggish 14-0 first half, the Panthers, led by Bubba Gauntt, played sensationally the third and fourth quarters. Gauntt started the second half with a 36-yard touchdown run. On the same play a few minutes later he was tackled but pitched out to Arthur Baird for another tally. Chris Miteff's interception set up the last score, which was made by Richard Loughridge from the 13-yard line. Baird led in scoring with two of Paschal's six touchdowns.

53-19 VICTORY BOILS EAST SIDE PARROTS

Paschal went ahead in the conference won-lost column by clobbering Poly 53-19. Doug (Red) Crow was undoubtedly the big man in Paschal's strong offense. He tallied from the 73, 43, 12, and 1-yard lines. Arthur Baird also assisted with two touchdowns while Bubba Gauntt scored once and passed to end George Mountcastle for the other score.

PASCHAL UPSETS SIPPERS' TEA CUP 21-14

The outstanding game of the season pitted Paschal's Panthers against powerful Heights with the Panthers emerging 7-point victor. Crow, Gauntt, and Miteff proved the three musketeers. Gauntt kept Heights guessing on mixing and keeping with the option play. It proved a see-saw affair with Heights beginning the evening with a T.D. Crow kept the secondary of Heights busy. The final half saw only one touchdown being counted by swift Chris Miteff in the fourth quarter to secure a Paschal 21-14 upset.

VICTORY OVER STEERS MAKES PANTHERS CHAMPS

Paschal's ticket to bi-district was won at the hands of a tough North Side team. The traditional Turkey Day classic was played before the largest crowd of the season. Sherrill Hedrick, the Steers' top back, played havoc with a determined Panther eleven. Bubba Gauntt's pitchout left the sports-casters guessing who had the ball. The Steers struggled to the Panther five but were held there in the final moments. The score board posted an impressive 26-21 victory for many happy exes.

The Kittens went through the conference season undefeated to win undisputed city championship in the "B" high school race. Many of these sophomores will see action in next year's games. This group will be the nucleus for a powerful Panther "11" two years hence.

Paschal's starting guards captured city-wide honors for the outstanding season each played in his last year with the Panthers. Both TOM TURNER and BOBBY TYLER were members of the mythical Press All-City team, and Tom placed on the Star Telegram's first team. These boys were the leading scorers of this year's Panther basketball team. Their team-mates selected both Tommy and Bobby as co-captains.

Facing the tough problem of not having any returning starters from last year's squad, the Panthers had one of the most trying conference races in many years. By constant hard work the club finished second in the city. In non-conference play the Panthers beat such foes as Wichita Falls, Paris, Abilene, and Graham. Paschal will again lose all its regulars composed of Jerry Hartman, Don Williams, Chuck Fielder, Bobby Tyler, and Tom Turner.

Several senior boys who have starred in previous track and field events will be counted on as the backbone of this year's track team. Swift Doug Crow and Scotty Turner turned in excellent performances in the Southwestern meet and are Paschal's hope for honors in the city. In the weight division Bob Ahola and Max Rightmer hold the limelight. In the field events Harry Bulbrook and Don Lewis hold honors at pole vault and broad jump. This year our team is strengthened by a large number of promising sophomores.

SWIMMING TEAM

The Paschal swimming team is under the direction of Mr. Hubert Cherry. The boys practice in the YMCA. The relay team finished second in a Dallas swimming meet. Hampered by illness, the team limited the number of meets in which they competed. Though this is not one of our spectator sports, the team is necessary for a well-rounded athletic program. A swim meet with Poly was slated late in the season.

TENNIS TEAM

Paschal was again represented in singles by Charlie Hillard. The doubles team consisted of Tommy Howorth and Willie Wolff. Practice was slated in mid-spring for the tennis hopefuls. Because of the experience of the team and the expected reserve strength of the sophomores, the Paschal tennis team was a leading contender for city honors. Mr. Bill Allen is the tennis coach.

GOLF TEAM

After scrapping for the top positions on the golf team, Don Moody, Bill Eschenbrenner, Jack Vaughn, and Bill Jones ranked highest. Arthur Hull and Don Moore are the singles representatives, with Bob Bagg as alternate. Paschal's team has won the city golf title several times during the past years. Our team this year was composed mostly of seniors and was scheduled to repeat its very fine representation.

The team, with doubles played by Anne Chorn and Beverly Dalton, has made two out-of-town trips. At Wichita Falls they lost in the quarter-finals, and at Commerce they were beaten in the semi-finals. Although the team had bad luck up to then, they had high hopes for the city tournament, which lasted April 9 to 11.

FOLK DANCE

Folk Dances are traditional dances which have developed naturally and spontaneously in connection with every day activities, emotions, customs, beliefs, religion, occupations, and innumerable themes common to all peoples everywhere. An annual folk dance clinic is held each year in which all the schools participate. The group also helps provide entertainment for various meetings.
